Contacting Your Camper In case of emergency, you may call **719.315.1214 (Hannah)**; or **719.873.5311 (camp phone)** and a message will be given to your child. Campers are not permitted to make calls unless approved by staff. Cell phones are permitted but cannot be used without approval from staff. Cell phones will be kept in the custody of the camp director to avoid any problems. *Please allow your child at least 24 hours to adjust to camp life before you call, unless it's an emergency.*

Homesickness For many children, the first time away from their parent/guardian can be somewhat traumatic. Sometimes, it's harder on the parent than the camper! But, most children quickly adjust after a day. You can help us by letting us know of any unusual situations at home (death of a relative or pet, separation of parents, moving to a new home, etc.) Please be positive and DO NOT suggest that he or she can come home early if it does not get better. That may encourage them to not let it get better. Our staff will help your camper work through this transitional time. Most campers do adjust to camp life and have a wonderful time with old and new friends.

Medical Care A medical release and authorization form is on the online registration site. *Parents must fill out and sign the medical form every year, regardless of former camp attendance.*

- *A nurse will be on-site daily and a staff member with training in the appropriate level of first aid and CPR/AED will be on duty at all times when campers are present, in camp, and on out-of-camp trips.*
- *Campers should arrive ready to participate in the program. Should your camper be unable to participate, please inform the camp director as soon as possible.*

Medication If prescription or over-the-counter medication is brought to camp, it must be in its original container with directions for administration and MUST be checked in with the camp nurse upon registration.

Food considerations. Allergies and other dietary restrictions will be communicated to the camp cooks, and they will have alternatives available at every meal. In some cases we allow campers to bring their own "safe" snacks and food, which will be kept in the kitchen.

Facilities and other policies: We are grateful to be renters of Beaver Creek Christian Camp and adhere to their facility use policies. More information on their policies and procedures can be found at: <https://www.beavercreekexperience.org/Retreat.html>.
